STAR QUACK

GET FAMOUS QUACKLY

ABOUT

Star Quack (STARQUACK) is a 100% community-driven project that is designed for automatic liquidity that generates payouts and static rewards for its holders.

Buy STARQUACK tokens, hold them, and you will get more STARQUACK tokens the longer you hold.

Apart from holding, Star Quack has plans to launch a

a. **Jackpot event** as "The Star jack"
b. **Lottery game** as "The Star Lotto"
c. **Fortune wheel** as "The Star Fortune"

Star Quack desires to allow its holders to make money by building, buying, winning and holding.

Star Quack wants to reach that by creating a community of people with a standard goal that is ready to perform hard and donate towards that purpose. The project desires to become the future of safe and secure funding and earning platform, where you can also win a jackpot for having and playing the lotto that pays out every month.

STAKING

Every holder is guaranteed to receive a fair allocation from Staking for Levels to participate in token developments. Based on how many STARQUACK you've bet, the model is divided into nine tiers. Additionally, the team's partner projects and projects that they have incubated offer free tokens.

WHY CHOOSE STAR QUACK?

STARQUACK is an audited token with

a. LP Locked
b. Anti-Whale
c. RUG Proof
d. 100% community-driven project on the BSC.
